Dear parents,

1. Please take note of the following activity in November.

| Name of activity                | Date        | Time                | Venue            | Participants    |
|---------------------------------|-------------|---------------------|------------------|-----------------|
| Workshop on mock release of DSE | 28/11 (Sat) | 09:15 am – 12:00 pm | Hall or Room 411 | All S6 students |

2. Due to the instability of Coronavirus, both Blood Donation Day (November 6) and Photo Day (November 13) have been cancelled. Normal lessons will be resumed on these two days.

3. The Life-wide Learning Day on November 26 has also been cancelled because of Coronavirus. Normal lessons will be resumed and the school day is Day 8. However, November 27 will still be kept as a holiday.

4. About the winter uniform

Starting on November 2 (Monday), students may wear summer or winter uniform to school according to the weather and their personal needs. All students must wear the winter uniform starting on December 1 (Tuesday).

5. School Information Day

Our School Information Day is set on December 19 (Saturday) from 11:00 am to 1:00 pm. We will introduce the application procedure and interview context to all potential S1 parents. Please inform your friends and relatives about it. Details will be distributed through our school webpage in mid-November.

6. Please submit the following amount of class money and photocopy fee through GRWTH system before November 4.

| S1        | S2     | S3        | S4     | S5     | S6     |
|-----------|--------|-----------|--------|--------|--------|
| \$ 259.80 | \$ 172 | \$ 219.20 | \$ 185 | \$ 190 | \$ 110 |

7. The fee of Parent-Teacher Association (PTA) is \$100. If two sisters are studying in our school, only the elder sister has to pay. PTA is an organization formed by parents and teachers. It acts as a bridge for parents and the school. Besides organizing cultural activities and helping the development of students, it also financially supports many school functions and the Outstanding Leaders Awards. Through PTA, parents may get to know more about the life of their daughters at school, teachers and other parents.

All activities may subject to change or cancel depending on the situation of Coronavirus. We shall inform you and your daughters as soon as possible when necessary. We thank you for your understanding.

Sincerely,

Chan Wai Chiu

Principal
